AUDITOR'S REPORT

On Public Sector Compensation Payments and Other Supplementary Information

To the Legislative Assembly of Manitoba

In accordance with Section 14 of The Provincial Auditor's Act, I have audited the financial information contained in Volume 2 of the Public Accounts of the Government of the Province of Manitoba for the year ended March 31, 1997. This financial information reflects the transactions attributable to the Operating Fund, a component of the Consolidated Fund, for compensation payments of $50,000 or more and other payments in excess of $5,000 to corporations, firms, individuals, other governments and government agencies. This financial information is the responsibility of the Government and has been prepared in accordance with the basis of presentation stated in the Introduction to Volume 2 of Public Accounts. My responsibility is to express an opinion on this financial information based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information, as well as evaluating the overall presentation of the financial information.

In my opinion, this financial information presents fairly compensation payments of $50,000 or more and other payments in excess of $5,000 to corporations, firms, individuals, other governments and government agencies for the year ended March 31, 1997 for the Operating Fund, a component of the Consolidated Fund, in accordance with the basis of presentation stated in the Introduction to Volume 2 of the Public Accounts, and applied on a basis consistent with prior years.
